

MOBILE HNA

m.hna.com

Specifically designed for your web enabled cell phone, mobile HNA lets you access hna.com while you're on the road or can't easily get to a computer.

* Need to check if you have a game tonight?

* At a tournament and want the latest update to see how the team is doing during the competition?

Mobile HNA lets you pull up the latest standings, scores, and schedules right on your web-enabled cell phone.

Directly tied into HNA.COM, when we update HNA.COM, mobile HNA is updated at the same time.

Fast loading, minimal graphics means you won't eat up your data plan limits.

Simple Graphics - Easy to Use
Great for Limited Data Plans - No Ads - Quick Loading
